Serious goodness. Unbelievable pricing.

Our large footprint and tech-savvy model allows us to provide the finest quinoa at the lowest price.

The Northern Quinoa Production Corporation (NQPC) or simply, NorQuin, is a specialty grain and food processing company headquartered in Saskatoon, Saskatchewan Canada. Our story began in 1994, when our founder and a few like minded friends began growing quinoa on the Canadian prairies; a great feat never before accomplished in Canada.

We are the largest vertically-integrated producer of quinoa, working with care in the field all the way to your fork. We are powered by a suite of revolutionary agricultural technology that allows us to offer our products at unrivaled prices.

Every day, we continue to innovate in order to provide you with nutritious, quality assured, gluten-free quinoa and quinoa ingredients. Without a step in the supply chain overlooked, we're uniquely capable to empower food manufacturers in the pursuit of healthier and more nutritious foods with origin.

Shipping

Please be aware of the charges associated with using GEMS to handle your materials. You will have to fill out the materials handling form (online) and provide your credit card number for all related charges. If you choose to ship through GEMS, they will deliver your materials to your booth and pick them up after the show to return to your office. Otherwise you will have to hand carry your materials to the expo room during the set-up times. You will not be able to ship directly to the hotel unless arranged through GEMS or unless arranged directly with the hotel and linked to your own hotel reservation. Due to limited storage space you may be billed for storage of your materials at the hotel. Please refer to the GEMS online system for detailed information.

*Shipments / packages sent to the hotel without prior arrangement will be refused, rerouted, or held by the facility. You are responsible for all related charges incurred at show site and by GEMS. Shipping prior to move in could delay your shipment to your booth. Please follow the outlined shipping guidelines.

Return Shipping

Arrangements will have to be made directly with the hotel or GEMS to ship your remaining materials back to you. We suggest bringing FedEx, UPS, or other shipping company labels with you with the return information
